

# Proposal Pricing Sheet

For OAI Contractor use in bid pricing

As noted in the Diversion Channel for Midlothian Creek in Robbins, CSA (OAI Planting) RFP, this Proposal Pricing Sheet should be used for submitting bid pricing in Bidder proposals. The completed Itemized Planting List workbook should also be submitted as part of the Bidder proposal.

1. **The Lump Sum Price** (“all inclusive”) sufficient to cover all costs for timely completion of all the work, seed mix, plants, trees, materials, equipment, and resources needed, as well as management/oversight, labor, and any overhead. Price should also include the cost of staff participation and assistance in the training session, as well as consideration of the planting warranty and guarantee requirements. This all-inclusive fixed price will be considered to be the Base Bid.
